216m²

900m²

Stunning and unique 216 m2 villa is built on a 900 m2 plot, with views to the sea and mountains. This villa has a surprising layout and there is a lift from the garage up to the roof terrace. The entrance is on the first floor. This is where you will find a living room, 2 bedrooms with a shared bathroom and a very spacious covered outdoor terrace, adjacent to the garden. This area can be converted into a guest house with minor adjustments. From the hall, there is a staircase to the 2nd floor, where there is the actual living room, with open kitchen, master bedroom with bathroom and...(Ask for More Details!)
