We are pleased to present 15 excellent and modern detached villas with private pool, solarium and large garage in the basement, located on plots of between 195 m² and 230 m², distributed over 3 floors and built with top quality materials. On the ground floor we find a living-dining room, kitchen, toilet and 1 bedroom with en suite bathroom, on the first floor, 2 bedrooms with access to a terrace with beautiful views, a bathroom and a rear terrace. On the top floor we can enjoy a large solarium with views of the surroundings. The houses include kitchen furniture, underfloor heating, pre-installation of aa/cc. pre-installation for connection of solar panels...(Ask for More Details!)
